### **Family Food Experience Study - Reminder**

NatCen Social Research is inviting you to express an interest in taking part in the Family Food Experience Study. They are looking for families with primary school aged children (aged 4–11 years old) to take part in this study to help them understand family food environments and children's eating habits. They will interview one adult in your household and will also take the height and weight measurements of one primary school aged child in your household. As a thank you for taking part, you will receive a £30 shopping voucher. You can register your interest using this link: [survey.natcen.ac.uk/FFE21](https://survey.natcen.ac.uk/FFE21) .

### **Summer Smarties Challenge**

Thank you to all children and families who have been collecting coins and filling your smarties tubes over the holiday - to help raise money for our school.

FCCS members will be by the school gates with baskets to receive your smarties tubes at drop off and pick up on Friday 17th and Monday 20th September.

### **Prayer**

Dear Lord,

Thank you for the beautiful sunshine we have enjoyed this week.

Thank you for helping us to settle into our new routines at home and at school. Thank you that you invite us to start again with good choices when things go wrong.

We love you Lord and trust in you,

In Jesus name,

Amen

Regards
