Dear Parents and Carers,

Please see below some information and reminders.

### **Reporting illness**

Children with COVID symptoms (high temperature, new/continuous cough or loss of smell or taste) must isolate for 10 days (along with the rest of the household). A PCR COVID test is recommended and if this is negative, the child may return to school if they are well and the family can come out of isolation. We can not accept LFT tests for this purpose.

There are twice weekly lateral flow COVID tests available which the government recommend for use. If you or your family are taking these tests they are for non-symptomatic use. If anyone in the household develops symptoms, a PCR test must be booked in.

If a child in a class receives a positive COVID result from a lateral flow test, you must inform the school as the child's bubble will need to close and isolate. The child will then need to be booked for a PCR test and if this is negative, the bubble may return to school.

If a child in a class receives a positive result from a PCR test the child's bubble must close and isolate for 10 days.

If you receive a positive COVID test result during non-school hours please advise us on [office1@christchurch.croydon.sch.uk](mailto:office1@christchurch.croydon.sch.uk) We have to track back 48 hours from the symptoms start or the test result is received so we may need to inform you during an evening if a bubble needs to close.

## **Sports Day events**

*Dear Parents and Carers*

*We are holding a **Cross Country** event on **29th June for children in Years 1-6**. Children in each year group will be given an opportunity to run a cross country race in the park adjacent to the school. The distance for each race will be appropriate for the different age groups. If you would like your child to take part please send them to school in a PE kit. We hope that children who do not take part will be able to watch their year group's race. The races are open to all children regardless of ability and the emphasis will be on having fun running! We hope that as many children as possible will be able to take part.*

*We are also going to be holding **Sports Day** this year, but as the Department for Education has not as yet indicated the lifting of any restrictions within school, this will be for **pupils only**. Parents / Carers are sadly unable to attend both the Cross Country and Sports Days. Please send your child to school in their PE kit on the date stated. We will ensure that lots of photos are taken.*

*15th July (AM): Year 1 & 2*

*19th July (AM): Year 3 & 4*

*20th July (AM): Year 5 & 6*

*21st July (PM): Reception*

## **Reminder - Mural design competition**

We would like to have a large mural painted on the wall in our Key Stage 1 playground. We would like our mural to be designed by our pupils and to contain our Vision, Mission and Values. Children were shown the video below in class this week.

If your child would like to enter the competition you might like to watch the video together. Entries should be on an A4 sheet of paper. The winning entry will be painted on the wall by the pupil and their year group. Completed designs should be brought into school and given to their teacher by 9.00am on Friday 25th June at the latest.

**Prayer**

Dear God,

Thank you for your promise that you are with us always.

Thank you for the kindness and care the children show to one another at school.

Please help all those who have to work in different ways this week because of the pandemic.

Thank you that you give us peace when we talk with you.

In Jesus' name,

Amen

Regards
