

Year One Curriculum Map

The themes to enrich learning this term will be: 'Transport' and 'In the Woods!'

English

- Fairy tales
- Poetry inspired by nature
- Instructions
- Information texts
- Features of non-fiction and letter writing

Geography/History

- Mapping: drawing and studying route to school, local area, where we live and aerial views.
- Find roads and train stops on maps.
- Compass directions
- Different types of transport
- Transport then and now

Music

- Animals and their homes/accompanying a song
- Sorting instruments into groups
- Rhythm pattern recognition

Maths

- Number is a huge area encompassing too much to record on this map. If you would like some more guidance on how to help your child in this area, please talk informally with their class teacher.
- Money - introduction to 'p' and '£' notation. Totalling amounts of money. Ways to make 10p and 20p
- Length - estimate and measure lengths in metres. Introduction to cm.
- Mass estimate and weigh using 100g weights. Introduction of 10g weights.
- Capacity - estimate capacity in litres and measure.
- Time - months of the Year. Clock faces hours, half past and five past the hour. What can you do in a minute?
- Geometry - Position and Direction

PSHE

- Making Choices
- The needs of living things
- Debate and discussion
- What harms and improves the local environment?
- Respecting similarities and differences.
- British Values: Tolerance, Rule of Law, Individual Liberty and Respect
